

Bicycle 'Library' System

The City of Ramsey is excited to bring FREE bicycle use to Anoka County residents.

The system is simple and requires a one-time trip to Ramsey City Hall to read the terms of use, sign a corresponding liability waiver and provide a copy of identification for record keeping purposes. Once on file, persons are then authorized to 'check out' bicycles from the south side of the COR parking deck. While bicycles may be used for exercise, recreational and local business transportation purposes, those with baskets can be used to cart items such as food for a picnic, beverages, or merchandise purchased at retail establishments in the COR.

Terms of Use

Users are mandated to wear appropriate head gear, follow basic safety rules, and similarly be responsible for any minors in their custody. Keys must be obtained and returned at the reception desk on the first floor of the municipal center between the hours of 8:00 AM to 4:30 PM, Monday through Friday.

How it works:

- Pick up a key and helmet from the reception desk.
- Visit the bicycle rack on the bottom level the municipal center parking lot.
- Choose a bicycle from the available selection. Rack is stocked with 6 male adult bicycles of varying measurements and 1 adult woman's bike.
- Unlock the lock. Unwrap the security cable from the bicycle rack and take it with you for securing the bicycle to other area racks while shopping or conducting business.
- Adjust the seat for comfort.
- Put on your safety helmet.
- Enjoy your ride.
- Return to the Ramsey Municipal Center upon completion of use and replace the bicycle in the bike rack. Firmly replace the safety cable and securely fasten the lock.
- Double check that the pin in the lock has clicked and is secured. You will be charged for replacement of the bicycle if lost or stolen.
- Users are responsible for reporting any equipment problems or damage to the bicycles.
- Return the key and helmet to the reception desk.

Participants must read and understand the terms of use and sign the "Voluntary Waiver of Liability Agreement" before using the "Bicycle Library System."
